

Chief Financial Officer

DP WORLD CANADA

Vancouver, BC

DP World Canada is a dynamic, multi-faceted and complex organization that is a true economic driver within the Canadian landscape. With continued strategic growth into key segments, DP World Canada is seeking an entrepreneurial operational finance leader to provide innovative paths forward to meet critical targets for near and long term.

Reporting directly to the CEO of DP World Canada and working closely as a business partner to the DP World Americas Regional Office, the CFO is a key member of the senior leadership team developing strategy and driving for growth. The CFO oversees processes, policies, procedures and systems of a close to \$1 billion CAD multi-line business necessary to secure efficient, high-performing and consistent support to the organization today and in the future. The CFO is responsible for managing and improving the financial reporting and strategic planning processes, while working closely with business partners to develop and drive strategic plans, annual budgets, financial forecasts and analyses and key performance indicators.

The ideal candidate is a progressive, driven and well-rounded senior financial change leader who is accustomed to an entrepreneurial, global organization with Canadian-wide operations. A collaborative and collegial work style is a hallmark of success for DP World Canada therefore, you will have effectively partnered within a multi-faceted environment with employees and business partners in different locations and time zones. As a strategic member of the senior leadership team, the ideal candidate will have a consultative and flexible leadership style, with a strong customer service orientation. The incumbent will pursue new insights and constantly explore new ways to improve while caring for and respecting colleagues, customers and DP World's commitment to sustainability.

If this is the next step in your professional career, please visit our website and submit your application to **Jennifer Madden** and **Shelina Esmail** at www.pfmsearch.com.

We are the leading provider of worldwide smart end-to-end supply chain logistics, enabling the flow of trade across the globe. Our comprehensive range of products and services covers every link of the integrated supply chain – from maritime and inland terminals to marine services and industrial parks as well as technology-driven customer solutions.

We deliver these services through an interconnected global network of over 300 business units in more than 75 countries across six continents, with a significant presence both in high-growth and mature markets. Wherever we operate, we integrate sustainability and responsible corporate citizenship into our activities, striving for a positive contribution to the economies and communities where we live and work.
